

THE REAL SOURCE OF A RENAISSANCE

Created by The Genuine Optimist

- Balance assumes two sides must be equal. Balance only shows a distinction. It does not show a proportion. You need a third element to show proportion.
- Proportion includes a third perspective, which gives clarity between two sides.
- Keep an eye on the Center of Action, it's where a renaissance will be born.

	Platonic Low Left	Socratic Renaissance High Right & High Left	Arostotelian Far Right
MOTIVE	Denial of death	Acceptance	Denial of rejection
